

We're In The Heat Of Summer! See What's On The Horizon For The Month of August

It's Party Time...

We celebrated the renovation of our brand new conference room with an office happy hour. Cheers to new beginnings!

Strike!

The Los Angeles office enjoyed good food, drinks, and bowling at the Bowlmor in Santa Monica. It was a very tight competition, but Norton, Chirag, and Max emerged victorious!

Isn't She Gorgeous?

Our lobby and conference room renovations were just completed! Huge shout out to the workers who made this happen. You guys killed it!

Need to schedule a meeting? Contact Stella Debibi at (310) 850 5153.

What's Happening In The Nadel Network?

Updates on China Lake!

- *The China Lake* project is an up and coming 16-acre retail center that will be completed in 2020.
- Located in Ridgecrest, California, China Lake consists of 24,000 sf of professional offices, and approximately 90,000 sf of retail shops, pads, and a market.
- The design approach is a desert/mid-century style with interesting architectural features and landscaping. It will be a community gathering place for the city of Ridgecrest.

In case you missed the details on the **Seven West Apartments...**

- Located in Los Angeles, California and completed in 2017.
- This project includes five floors of multi-family residential rental units on top of two floors of retail and parking.

- There is a total of 87 rental apartment units, totaling 94,000 sf, and two levels of parking for a total of 135 vehicles.
