

## Please Don't Fly By July! Here's What We're Up to This Month

### Retail Real Estate

We will be in The Hub of the Universe from July 16-17 for ICSC New England. Our Executive Team will be there! Register [here](#).

### Multi-Family Mania

Staying at home for this one - Principal & Design Director, Patrick Winters will be speaking at Bisnow's Multi-Family Annual Conference West, July 17 at the JW Marriott in Los Angeles. [Register here](#).

**Need to schedule a meeting? Contact Stella Debibi at (310) 850 5153.**

## What's Happening In The Nadel Network?

*New Details!*

- *Our Lady of Lebanon Cathedral Development* is a new 19-story, concrete structure, high rise, multifamily building.
- Located in the Beverly Grove neighborhood of Los Angeles, this mixed-use project consists of

31,000 sf of church functions.

- *Urbanize LA* recently published a piece on this project. [Click here](#) for more information.

*Coming Soon! Stadium Villas will be completed in 2020.*

- Located in Los Angeles, California.
- This project consists of a 8 story podium apartment building with 151 units and a 4 story, 255 space subterranean parking garage.
- The design of the structure allows for amazing views of the Dodger Stadium and the downtown Los Angeles skyline.

We're **HIRING!**

- We're looking for rock star individuals itching to be apart of our growing Nadel team.
- Do you strive for architectural excellence? A collaborative and dynamic work culture as well as excellent perks AND opportunity for growth? If so, [apply today!](#)

## Employee Spotlight

### Norton Ching

- Norton joined Nadel in 2001 and has immersed himself in the design and implementation of many LAUSD projects.
- In addition to educational projects, Norton specializes in institutional facilities, public sector projects, and large-scale historic renovations.

### Behind the Scenes...

1. What is your role here at Nadel?...  
*Project Manager.*

2. What's the key to successful project management?... *Having an adequate budget to begin with and creating a work plan with an appropriate/balanced team, all while maintaining excellent client relationships and hitting each of your milestones within the budget.*
3. If you had to describe your management style in 5 words or less, what would they be?... *Levelheaded, collaborative, growth-oriented, steadfast and positive!*
4. What trends do you see in upcoming LAUSD projects?... *Design-Build modernization of existing campuses, along with miscellaneous ADA fixes and upgrades. However, there will be more 'replacement type' projects like our current project, Delevan Drive Elementary School.*
5. What is your favorite project you've worked on at Nadel?... *William Anton Elementary School for LAUSD.*
